

ALROSA SITE VISIT

J.P.Morgan

ALROSA and J.P. Morgan are pleased to invite you to visit ALROSA's operations in the Republic of Sakha (Yakutia) on 18-21 July, 2017.

Preliminary agenda

July 18th Flight from Moscow to Mirny

July 19th-20th During a two-day Site Visit to the largest diamond miner's unique assets in the Republic of Sakha (Yakutia), you will see the full cycle of diamond production including open-pit and underground mining, dredging fleet, processing plant and sorting facility. We will hold a separate session with management representatives at ALROSA's state-of-the-art R&D and exploration center.

July 21st Return flight to Moscow

Please note that Russian business entry visa will be required for this trip.

J.P. Morgan will provide all necessary support, but the process takes time. For better planning and logistics, kindly advise us at your earliest convenience if you intend to join the trip.
